NOTICE

Section 308 of the Nova Scotia *Elections Act* (the “Act”) states:

308 Every person is guilty of an offence who obstructs a candidate or a candidate’s representative in lawfully campaigning. 2011, c. 5, s. 308.

This provision in the Act supports the right of registered candidates to have access to any apartment building, condominium complex, residential centre or any other residential complex for the purpose of campaigning lawfully whether or not an election has been called.

This letter has been prepared by Elections Nova Scotia to inform you of the right of a registered candidate or a candidate’s representative to have access and of your obligations under the Act.

The candidate will also have been provided a letter from the Chief Electoral Officer confirming their registration with Elections Nova Scotia. This letter should be used in association with this Notice to evidence eligibility to gain access to any apartment building, condominium complex, residential centre or any other residential complex.

Richard P. Temporale
