**EDA that has not filed an annual financial report**

The *Elections Act* (the “Act”) requires the Chief Electoral Officer to suspend an EDA if the annual report is not filed by March 31 of each year. All EDAs have filed the required annual reports.

**Registration of New Electoral District Associations**

In order to register a new EDA, a Form 4 must be filed and accepted by Elections Nova Scotia. Copies of the form can be found on the ENS website at
