

Status of Electoral Districts Associations

This webpage contains the registration status of electoral district associations (EDA) for all registered political parties, as of January 14, 2021.

EDAs that have not registered

The table below (based on the electoral districts as defined in the 2019 *House of Assembly Act*) lists, by electoral district and by party, the EDA registration status.

Party:

- Atlantica: Atlantica Party Association of Nova Scotia (No registered EDAs)
- Green: Green Party of Nova Scotia
- Liberal: Nova Scotia Liberal Party
- NDP: Nova Scotia New Democratic Party
- PC: The Progressive Conservative Association of Nova Scotia

Status:

- “Registered” indicates that the appropriate financial report and EDA registration form has been filed (Form 4 or Form 4-1) and accepted.
- Grey (blank) indicates that the appropriate EDA registration form has not been filed and accepted.
- “Suspended” indicates that an EDA has not filed their financial reports for the previous calendar year.

EDA that has not filed an annual financial report

The *Elections Act* (the “Act”) requires the Chief Electoral Officer to suspend an EDA if the annual report is not filed by March 31 of each year. All EDAs have filed the required annual reports.

Registration of New Electoral District Associations

To register a new EDA, a Form 4 must be filed and accepted by Elections Nova Scotia. Copies of the form can be found on the ENS website at
